Refce: Letter from the Collector of S.K., Ref. B7. 23517-54 d/ 20.12.54
Letter from the Collector of S.K., Ref. M2/3154 2/54, d/ 17-1-55.

The Collector of South Kanara has stated that ten villages of Coondapur Tk. included in the Community Projects have recently been transferred to National Extn Service, Baindur Block in S.K. Dist. He has requested that the Maternity Centre at Siddapura and the Vety. and Livestock First Aid Centre at Shankaranarayana run under the Community Project Scheme may also be continued to be run under National Extn. Service Scheme.

2. The B.D.O., Baindur has stated that the expenditure of Rs. 500/- required for maintaining the Vety. and Livestock First Aid Centres till the end of March, 55, can be met from the provision available under "Grants-in-aid". In this connection, it may be stated that the funds available

for the N.E.S. are very limited. The expenditure on both the institutions has to be met from the provision of Rs. 25,000/- only made under "Grants-in-aid" for a period of 3 years. Out of this provision for Baindur Block, South Kanara Dist, an expenditure of Rs. (nil) has so far been incurred and therefore a balance of Rs. 25,000/- is only available for expenditure. It may ~~be~~, therefore, be possible to continue these institutions under the N.E.S. Scheme. It has already been proposed that the Vety. institutions opened under the auspices of the C.P. Scheme will have to be taken over and run by the regular Animal Husbandry Dept. after closure of C.P. Scheme.

3. In the circumstances, it is for orders whether both the institutions may be ordered to be continued under N.E.S. scheme, the required expenditure being met from the provision available under "Grants-in-aid", ~~and diversion of funds to the required extent may be made~~, or, whether they may be ordered to be maintained by the regular Depts. Concerned. In case

The latter course is decided on, the D.A.H. and the D.M.S. may be consulted in the matter. for action.

The maternity Centre at Siddapuram and the Livestock First Aid centre at Shanthamarga may be continued under the N.E.S.

If these are to be continued under the N.E.S. scheme, the provision under 'Local works' and 'Grant in aid' will barely be sufficient to meet the expenditure connected with these two institutions only for the whole block the regular depts will have therefore to take over the maintenance of these.

This can be considered later
